Grip Quickly Knocked Out.

"Some weeks ago during the
severe winter weather both my wife
and myself contracted severe colds
which speedily developed into the
worst kind of a gripe with all its
miserable symptoms," says Mr. J.
S. Eggleston, of Maple Landing, Ia.
"Knees and joints aching, muscles
sore, head stopped up, eyes and nose
running, with alternate spells of
chills and fever. We began using
Chamberlain's Cough Remedy, aid-
ing the same with a double dose of
Chamberlain's Stomach and Liver
Tablets, and by its liberal use soon
completely knocked out the grip.

FOUND HOME FOR LITTLE WAIF

Humane Officer B. B. Stout was
requested by the state secretary of
the society Sunday to meet the
morning train from Weston on Mon-
day and take charge of an eight-
year-old girl who would arrive on it.
Mr. Stout happened to know of a
woman who wanted a child of about
that age and he notified her of the
little one. The lady is Mrs. Elmore
Stout, of Lost Creek, who boarded
the train at the station and at once
sought out the child and by the time
the train reached this city she was
delighted with her. As a conse-
quence the child returned home with
her Monday evening.

Human Blood Marks

A tale of horror was told by marks
of human blood in the home of J.
W. Williams, a well known merchant
of Bac, Ky., he writes: "Twenty
years ago I had severe hemorrhages
of the lungs, and was near death
when I began taking Dr. King's
New Discovery. It completely cured
me and I have remained well ever
since." It cures hemorrhages, chron-
ic coughs, settled colds and bron-
chitis, and is the only known cure
for weak lungs. Every bottle guar-
anteed by F. G. Bland, druggist.
50c and \$1.00 Trial bottle free.

ternational reputation, died today,
aged 76 years.

HEALTHY MOTHERS.

Mothers should always keep in
good bodily health. They owe it to
their children. Yet it is no un-
usual sight to see a mother, with babe
in arms, coughing violently and ex-
hibiting all the symptoms of a con-
sumptive tendency. And why should
this dangerous condition exist, dan-
gerous alike to mother and child,
would not a stop to it at once? No
and tried remedy in the house—for
its timely use will promptly cure
any lung, throat or bronchial trou-
ble in herself or her children. The
worst cough or cold can be speedily
cured by German Syrup; so can
hoarseness and congestion of the
bronchial tubes. It makes expec-
toration easy, and gives instant re-
lief and refreshing rest to the cough-
racked consumptive. New trial
bottles, 25c; large size, 75c. For
sale by F. G. Bland, druggist.
